"(a.) The Assessor of the improvement district shall notify each owner of land of the classification and estimate of area made by the Assessor of the owner's land. This notice may be combined with the notice required under the 'Municipal Act' to be given by the Assessor of the Township of Spallumcheen. The notice shall contain information to the effect that the assessment roll of the improvement district will be revised by the Court of Revision of the Township of Spallumcheen at the time and place the municipal roll is revised, and that the owner has a right of appeal from the said Court of Revision to the Water Board.

"(b.) The assessment roll as confirmed by the Court of Revision of the Township of Spallumcheen and revised, if at all, on appeal to the Water Board shall be valid and binding on all persons affected, notwithstanding any omission or any defect, error, or misstatement in any notice required or the omission to transmit such notice; and the roll shall for all purposes be the assessment roll of the improvement district until a new roll has been prepared, revised, and confirmed."

"(a.) Upon the passing of a by-law levying any tax upon the lands in the district, the secretary of the Trustees shall transmit a copy of the by-law and a copy of the current assessment roll to the Collector for the Corporation of the Township of Spallumcheen, and the said Collector shall thereupon add to his Municipal Collector's roll in a separate column the taxes levied under the by-law of the improvement district against each parcel of land, and the taxes so added shall thereupon become subject to the provisions of the 'Municipal Act' and of the by-laws of the Township of Spallumcheen in like manner and to the same extent as if they were municipal taxes levied by the Council of the said Township of Spallumcheen under the 'Municipal Act.'

"(b.) The Municipal Collector shall pay over annually on or before December 31st in each year to the Trustees of the improvement district the amount, if any, collected by him in pursuance of the above provisions, less any penalties and interest collected, which penalties and interest the Municipal Collector shall be entitled to retain for the use of the municipality.

"(c.) In case any lands within the improvement district are purchased by the municipality by tax-sale proceedings, and are not redeemed by the former owner at the expiration of the time limited for redemption, the Corporation of the municipality shall acquire said lands free from any liability to account to the improvement district for any amount due and unpaid to the improvement district in respect to said lands, but with the consent of the Trustees may convey the lands to the improvement district on payment of the amount, if any, due to the municipality, and the Trustees may thereupon lease, sell, exchange, or otherwise dispose of such lands by tender after advertisement, and if no bids are received they may by by-law sell such lands for the best price obtainable."

### DOMINION ORDERS IN COUNCIL.

P.C. No. 1846.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 22ND AUGUST, 1932.

THE Committee of the Privy Council have had before them a Joint Report, dated 13th July, 1932, from the Minister of National Defence and the Minister of the Interior with reference to Order in Council of the 31st August, 1906, amended by Order in Council dated the 31st August, 1908, P.C. 1803, whereby the Honourable the Minister of Militia and Defence was authorized to lease the military property at Vancouver, British Columbia,

known as "Stanley Park" to the City of Vancouver for park purposes for a period of ninety-nine years renewable.

The Ministers state that such lease was made on the 1st day of November, 1908, between His Majesty King Edward VII., acting through the Honourable the Minister of Militia and Defence, for the Dominion of Canada of the first part, and the City of Vancouver of the second part, the lease comprising the said lands, or such part thereof, as should not thereafter be required by His Majesty or his successors for military purposes, the exclusive possession and control therefor remaining in and belonging to His Majesty, but otherwise the said property to be used, occupied, and enjoyed by the City of Vancouver for its use for a public park for ninety-nine years renewable on the same conditions; provided that the Minister of Militia and Defence should have full power to resume and take possession without compensation any portion of the lands or buildings erected or to be erected thereon when required in his judgment for military purposes, His Majesty's naval and military forces to be at any time free to march through, manœuvre, exercise, or encamp thereon, the existing road and new roads to be maintained and kept in order by the City, no stone to be quarried or trees cut thereon without the sanction of the Minister of Militia and Defence, and other conditions. The said area, subject to such lease was transferred to the Department of the Interior for administrative purposes by Order in Council of the 6th of April, 1925, P.C. 532.

The Ministers report that an area lying immediately eastward of the lighthouse at Prospect Point, in the said Park, not to exceed 4.5 acres, is required as a site for a bridge-head of a bridge proposed to be constructed across the First Narrows of Burrard Inlet, and that a lease of such an area necessary to the construction of such bridge would not be inconsistent with the purpose for which the lease to the City was originally granted; said lease to be granted to the party or corporation in whom such bridge will be vested.

Subject to what is stated herein, the Ministers are of the opinion that it is desirable that power be granted to the Minister of the Interior to enter into such a lease and to define the conditions on which the same should be granted. The Minister of National Defence observes, however, that there may be certain objections from the point of view of Defence to the construction of such a bridge, and that the grant of the lease mentioned should in no way be construed as being a waiver by the Department of National Defence of any objections which it may have to the construction of the bridge in question.

The Ministers, therefore, recommend that upon approval of plans of such bridge under the "Navigable Waters Protection Act," and compliance with such conditions as may be imposed by the various departments of the Dominion Government interested, and upon the City of Vancouver consenting in writing thereto, the said Minister of the Interior be empowered to enter into a lease as aforesaid of the said bridge-head site, upon terms not inconsistent with the Order in Council authorizing the lease to the City of Vancouver aforesaid.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,  
Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior. 2722-se8
